

Annual Town Meeting 2022

We will be hosting the Annual Town Meeting on Thursday 19 May, from 7.30 pm.

Our Mayor will report on the Town Council year just completed, and representative of Bruton's many community groups will be speaking about the past year.

Bruton's response to the Coronavirus pandemic has demonstrated the strength of our community. This year we are able to meet face to face again to celebrate all that has been achieved.

If you wish to ask a question, or join for the Open Forum, please email antonio.piazza@brutontowncouncil.gov.uk (before 5 pm on Wednesday 18th May).

The Annual Town Meeting is distinct from the statutory Annual Town Council Meeting (its AGM), which will be held on 17 May.
