

♥ Saturday 1 February 2025 Hoedown - Help us plant narcissus and tulip bulbs outside Bruton Community Hall 🌱 🌸 🌺

Do you remember the beautiful tulips and narcissus in the troughs outside Bruton Community Hall last year?

*Credit: Christine Kaltoft*

That fabulous display was thanks to [Organic Bulbs](#) who donated the bulbs and our lovely volunteers who planted them!

Since they finished flowering, the bulbs have been well looked after and, after several false starts (thanks to winter storms), it's definitely time to replant them.

Please join us on Saturday 1 February when we'll be meeting outside the Community Hall at 11am. Bring your gardening gloves and a trowel: it shouldn't take long!

The Community Hall will be open beforehand for coffee, should you need a boost beforehand! - don't forget they only take cash.

There is a Bruton Hoedown WhatsApp group. Please email us your phone number if you'd like to be added to it.
