

**Clerk's Report for Town 18 March 2025**

**Abbey Ponds Lease**

A copy of the latest lease was circulated on 5<sup>th</sup> February 2025.

**Bench on Dovecot**

This has now been installed and the ATC will be publishing a celebration of all of the improvements at JP over the last year, including the bench.

**Cuckoo Hill Cemetery Sign.**

The new sign is now installed

**Jubilee Park/pavilion/MUGA**

- The Zip Wire post installation assessment/snagging has been completed and a further appointment is being organised for a further re-tensioning.
- The bench has now been installed in the perfect position on the Dovecote. The ATC will be publishing a celebration of all improvements at JP over the last year, including the bench (as part of the CILCA portfolio).
- There is a grant application from BUFC for approval on the agenda
- There has been a problem with moles disturbing the pitches and a contractor has been organised to address this issue.

**Bins**

Some of you may have noticed a missing bin on Cole Road (as well as outside Spar) and this has been investigated. It was not removed by SC and we believe this to be a case of vandalism. A replacement has been requested for Cole Road, highlighting that it is a key spot, but no response at the date of this report. The agreed replacement co-mingle bins for other areas has also been requested.

**Condition surveys and maintenance**

Still awaiting the condition survey for the Jubilee Park walls and Abbey Ponds walls. It has been chased and it is hoped it will be with us by the end of this month.

**Cemetery**

The diseased ash tree that needs removal has been booked in with the contractor and he will be in touch over the next few weeks to let us know when he plans to carry out the works. Details will be publicised via website and social media.

**END OF REPORT**
