

BRUTON TOWN FORUM 2026

Report on Brue Valley Rotary Club

1 We held a Coffee Morning in January in aid of Prostate Cancer (specifically an event at Caryford Hall in March) at which 2265 was raised. 2 We carried out a litter pick in Bruton in November, as we have done now for three years.

3 We raised another 2200 at our burger / bacon bap stall at the Christmas evening despite, again being rather 'off-piste' where we were operating.

4 Each July (this year on 24th July), we assist in the running of the Classic Car event at Sherborne Castle.

5 We hold a Golf event each September (this year on 10th September), raising funds for CHSW; last year this raised 24500.

Other events (eg Charity Bucket Collections) are supported on an ad hoc basis.

By way of information, the club meets in Castle Cary, currently at the George Hotel, on Thursday evenings. 'First' Thursdays are Business Meetings, 'Second Thursdays' are Speaker Meetings and, in the third week, we usually have an outside visit somewhere and our meal will be in the area where that takes us. I have some leaflets if anyone might be interested in joining us!
