

Bruton Annual Town Forum 2026

Bruton Youth Club:

Penny Lukins has decided to step down from her lead worker role, but she is not leaving the Bruton session — she will continue as an assistant. Penny has contributed a huge amount to Bruton, and her commitment to the young people and the team has been really valued. We're grateful she will still be part of the session.

Eli Bailey has already stepped into the lead role. To support a smooth transition, I will be in the sessions to oversee the change and make sure everything runs safely and smoothly during this transition period.

Please remember that any changes or updates for the sessions are posted on the WhatsApp pages, so please keep an eye open for any messages.
