To Planning South <planningsouth@somerset.gov.uk>

Dear Planning South,

Under powers delegated to me by Bruton Town Council Business Continuity Motion 19/71 of 21st March 2020, and after consulting the Chair and Members of the Town Council's Planning Committee, I am pleased to report that Bruton Town Council recommends APPROVAL of this application, provided that the Planning and Conservation officers are confident that the setting of the Listed Farmhouse would not be materially compromised by the replacement of (what is now) an open-sided agricultural barn by a modern barn clad in brown, hemp-based material.

The Council is impressed by the design quality of the restoration work at the farm which gained Planning and Listed building consent in 2024, and has every reason to believe that the proposed development would be undertaken with the same care.

With many thanks and best wishes,

Patrick
